Inspiring Luxury with an Extraordinary Twist

Set in the international business & financial district of Tun Razak Exchange (TRX), experience an extension of the city's dynamic energy and a tapestry of global influences - where bold design, vibrant flavours and eclectic vibes meet modern indulgence and excellent connectivity.

Sink into bliss in our 466 design-led sanctuaries, with ultra-personalised luxury-meets-lifestyle experiences and unexpected perks that beckons. Spanning 26 storeys, expect an eclectic mix of experiences - from the generous splendour of four distinct dining venues, and five flexible meeting & event spaces designed to connect, to panoramic skyline views from our rooftop level boasting an electrifying bar, a pool, a gym and an outdoor terrace.

Partnering with award-winning Hassell Studio, the interiors balance city vibrancy and natural serenity to shape an urban haven. Harmonising the vibrancy of the city is our design theme, 'Botanic Beyond Aesthetics'. Inspired by Malaysia's rich natural landscapes, the interiors weave organic textures, earthy stones, and lush greenery amidst soaring ceilings and captivating local art. The hotel's name derives from two Malay words - 'Naluri' (instinct), and 'Ria' (joy) - capturing the essence of following one's instinctive inner voice towards the pursuit of joy and happiness.

Rise & Grind

Espresso Bar with a Grab n' Go | Ground Floor
Total Capacity: 24 persons

A contemporary all-day espresso bar that embraces modern brewing techniques and high-quality beans in its specialty coffees while paying homage to unique local influences, honouring the essence of a Malaysian Kopitiam, with craft beverages and nutritious convenience.

Tuai + Till

All-Day Dining | Level 3
'Padi' Private Dining Room: 8 persons | Total Capacity: 194 persons

A unified farm-to-table venue that transforms into a dual dining experience under one roof - *Tuai*, a cozy Malaysian cafe and Till, an elegant Western brasserie. *Tuai* derives from the Malay word which means 'harvest', while Till refers to the tilling of the land before seed cultivation.

Sabato's

Specialty Retro Italian-American Restaurant | Level 25
'Roma' Private Dining Room: 10 persons | Total Capacity: 90 persons

A time capsule transporting diners to the vivacious 1970's disco, serving generous portions of Italian-American cuisine of large meatballs and various pasta with red sauces; a true revival of the Red Sauce Joint era.

The first and only retro Italian-American restaurant in Malaysia thrives on lively communal spirit over sharing platters, an Italian-dominated wine list and a jukebox playing tracks reminiscent of Saturday Night Fever, Its name originates from the Italian word 'Sabato' which means 'Saturday'.

Four Siblings

Destination Rooftop Bar & Lounge | Level 26
Total Capacity: 90 persons

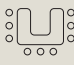

A chic, quintessential social hub for trendsetters set against the city skyline stands proudly as the first and only Malaysian spice-themed bar in the country, as well as only rooftop bar in the TRX vicinity. Its name derives from the Malay term '*Empat Beradik*' which, refers to the four spices commonly used in Malaysian cuisine - Star Anis, Cinnamon, Cardamom & Clove.

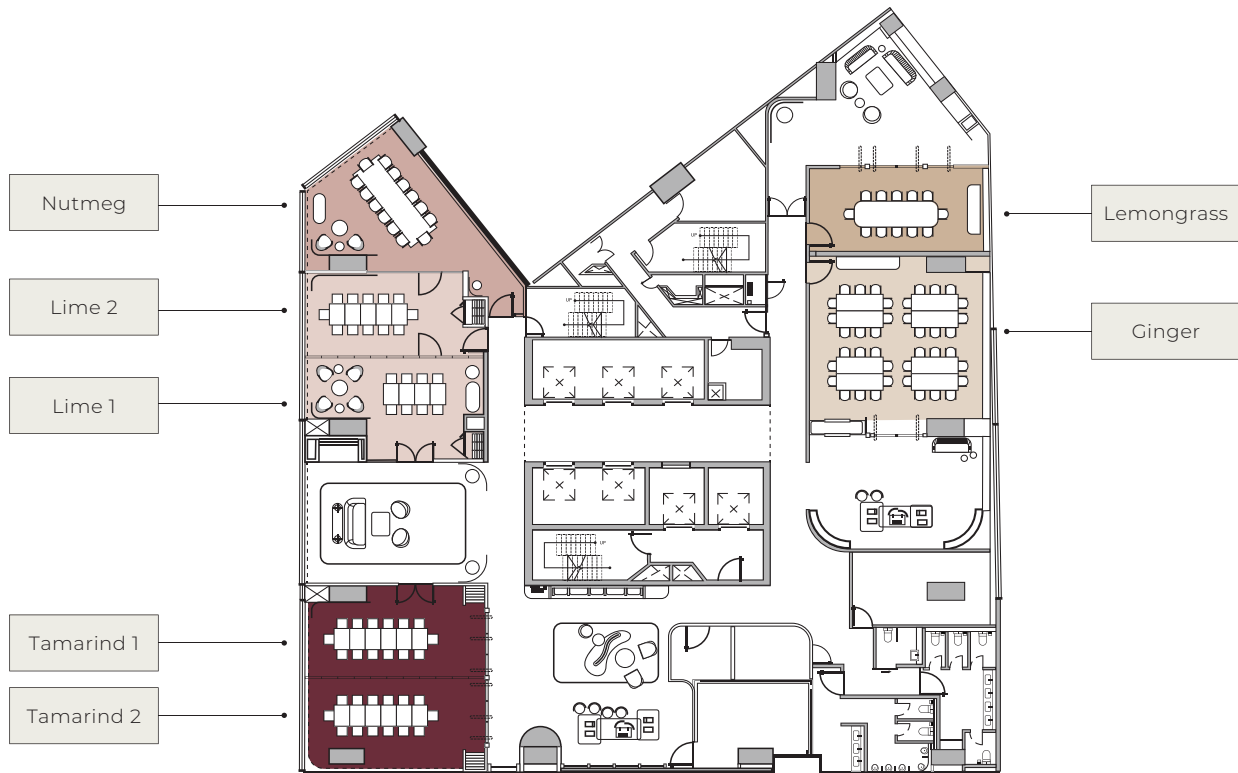

Expect avant-garde cocktails with a spice-infused flair crafted by leading mixologists in the country, as well as creatively presented platters of curated coastal bites from South America and Malay tapas.

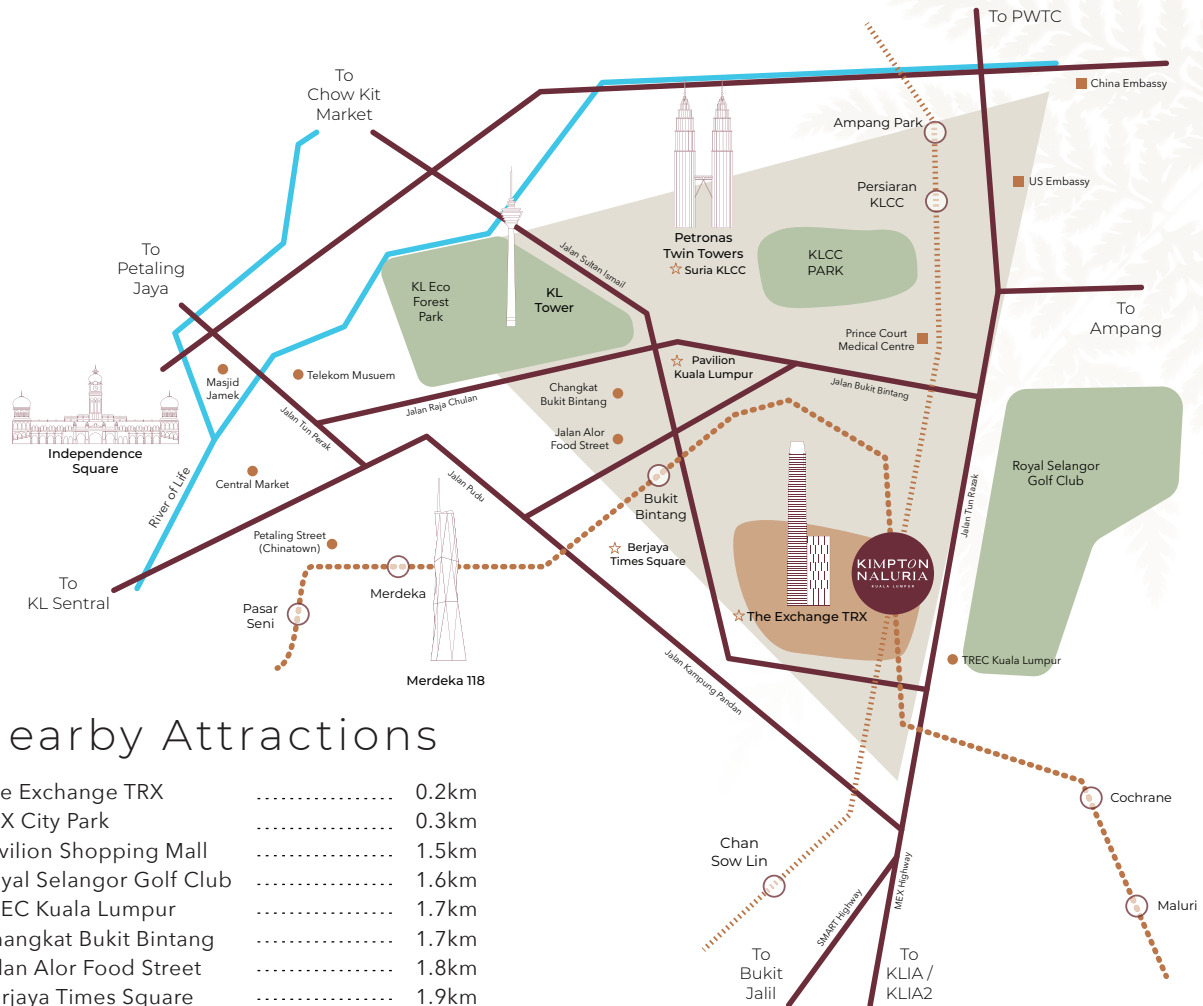

Meeting Rooms

With five flexible meeting venues designed to connect, these spaces are perfect for intimate occasions and meetings to inspire creativity, collaboration, and connection. Flexible layouts, natural light, and curated interiors make each room feel as comfortable and inviting as it is functional.
