SAVOUR A TRUE TASTE OF SINGAPORE AT COLONY

SINGAPORE – Located on level three of The Ritz-Carlton, Millenia Singapore, **Colony alludes to the seafarious voyage that the British took to travel to the East Indies for trade and commerce in the late eighteenth century.**

An essence of urban living, the **elegant British-colonial charm** of the restaurant is characterised by an eclectic mix of vintage and bespoke furniture featuring **tartan and houndstooth prints**, alongside touches of modernity, while **old maps, photographs and postcards** adorn the walls and partitions, evoking the nostalgia of a bygone era.

Seven different conservatory kitchens, helmed by ‘live’ culinary showmanship, detail a food narrative of the culinary journey and heritage that transformed Singapore, which gave its cuisine, a sense of identity. Incorporating various cooking techniques, each ‘live’ kitchen showcases the best of **Chinese, Indian, Indonesian, Malaysian, Western and local dishes**, bringing diners on a culinary journey through Singapore’s heritage cuisines.

1. **The Ice Bar** – A variety of crustaceans on ice, salads, cold cuts and cheeses
2. **The Grill & Rotisserie** - A selection of Western and Asian meats grilled to perfection
3. **The Steam Basket** – Asian noodles, soups and other steamed delights
4. **The Wok** – Local wok-fried delicacies
5. **The Tandoor** – Indian meats, seafood and breads cooked in a traditional Tandoor oven
6. **The Fruit Stall** – An assortment of whole fruits and fresh pressed fruit juices
7. **The Patisserie** – A decadent selection of sweet treats

Over at **Colony Bakery**, satiate your sweet tooth with our signature Upper Crust, which is comprised of a cookie crust and a muffin base. An assortment of **freshly baked breads** alongside a delightful spread of pastries and chocolates are also available for retail and take away.

On Sundays, bask in the convivial atmosphere at Colony where an extensive **Champagne brunch**, coupled with unlimited servings of the best of Singapore's heritage cuisines await.
